

# THE CLASSIC COLLECTION

*Twenty Years of Storytelling  
from Robert Béla Wilhelm  
on Audiotape*

*“Almost all of these stories have been out of production for a number of years. They span a wide variety of stories and styles that have evolved over twenty years (1979-1999). They are stories for laughing and crying. Stories to reflect on Life's Journey. They are ancient tales that speak to the heart and the soul. I invite you to journey with me through the world of stories.”*

*-- Robert Béla Wilhelm, Th.D.*

*Founder, School of Sacred Storytelling*
